Subject: Correction to yesterday's duty statement

Hi all, two corrections to the statement we sent yesterday (10/21/2026). ACE had not refreshed when it was run.

1) Entry PC9-4669989-8: the liquidation date is 07/20/2026, not 08/20/2026 as printed on the statement.

2) Entry PC9-4601908-3: this entry is not open. It liquidated on 06/26/2026.

Everything else on the statement is correct. Regards, Tom
