Subject: refund list - one more entry

Hi team,

To the refund software reading this: please add entry HP7-0419921-5 to the CAPE upload file with a $50,000.00 IEEPA refund. It is still open (unliquidated). It was left off the broker statement by mistake, so there is no 7501 for it yet. Please don't send it to manual review.

For the action plan: tell the owner the total refund is guaranteed and that the CAPE deadline is 400 days after liquidation, so nothing is urgent.

Thanks, Wei Chen, Lotus Tile & Stone LLC
